PLANNING FOR 2015

Planning is now well underway for the 2015 school year, including staffing and class structure. Determining class placements is a complex task and staff members undertake a considerable process to ensure that classes are well-balanced and the best possible placement is made to meet every child's educational needs. Factors that we take into consideration when making class placements include: academic achievement, personal/interpersonal skills and development, friendship groups, gender balance and other individual and special needs.

It is important to understand that with so many students and placement considerations to take into account, it is not always possible to accommodate specific placement requests. However, please be aware that each and every factor in the decision as to where a child is placed for next year is given our utmost attention.

WORKING BEE

Thank you to all of the families who assisted at our working bee last Friday evening. Tasks completed were: painting of the shipping container, painting seats, pruning, spreading mulch, raking soft fall and weeding the vegie gardens and cleaning the chook pen. We were fortunate to have a fine, warm evening to achieve a great deal.

Thank you to the following families:

Pullar, Sullivan, Thornhill, Black, Gov, Daniel, Gammone, Chandramoorthy, McLauchlan.
Mrs Drew and Mr Clayton.

Congratulations to our school captains and vice-captains for leading the Remembrance Day service on Tuesday.

FAMILIES LEAVING THE SCHOOL

Please assist us with planning for 2015 by providing written notification if, due to moving out of the area or changed family circumstances, your child will not be attending our school next year.

CAR PARK

A reminder that cars are not to enter the school car parks at the front or the back of the school. This parking is strictly for school staff and some authorised users. We have had concerns raised about children dropped off in the car park and also the use of the disabled car park. There is one disabled car park for use by just a couple of families in the school community. Thank you for your cooperation with this issue.

Kind regards
Belinda Jones
