STUDENT FREE DAY
WEDNESDAY, 29TH APRIL

Anzac Day Service
On Tuesday our School Captains and Vice Captains attended the Rotary Anzac Day Service at the Cenotaph in the Monash Central Reserve. Our school captains lay a beautiful wreath and participated actively in the service. Many thanks to Mr. Clayton for transporting the children to the event. We are very proud of our student leaders at Albany Rise.

Our school Anzac Day service will be led by our school leaders and will take place at 2.45pm in the hall, prior to assembly.

Children are asked to bring flowers and green foliage for the wreaths that will be made in classrooms.

School Disco
The children are really looking forward to our first disco for the year on Friday 24th April. Once again we will be using a sign in /out procedure for parents when dropping off and picking up children.

There will be tables set up at the front of the hall. We ask that parents line up and sign against their child’s name for pick up/ drop off their child and exit via the furthest door – staff will direct you.
If any parent is picking up a child other than their own please bring written permission.
NAPLAN
The week beginning Monday 11th May is NAPLAN week across Australia. Please see the information below.

The National Assessment Program – Literacy and Numeracy (NAPLAN) is an annual assessment for students in Years 3, 5, 7 and 9. It has been an annual event for schools since 2008.
On Tuesday 12, Wednesday 13 and Thursday 14 May, students will undertake the 2015 NAPLAN tests.
NAPLAN is made up of tests in the four domains of Reading, Writing, Language Conventions (spelling, grammar and punctuation) and Numeracy.
NAPLAN assesses skills in literacy and numeracy that are developed over time, through the school curriculum.
NAPLAN is not a pass or fail type test, but rather shows how individual students are progressing in numeracy and literacy skills against national standards for all Australia children.
All students are encouraged to participate in the tests. Students with a disability may qualify for special provisions that reflect the support normally provided to them in the classroom.
An individual student NAPLAN report will be issued by the school later this year. Parents can use this information to monitor how their child is progressing and to identify any areas of concern. More information is available at www.naplan.edu.au

Education Week 2015
Education Week is celebrated state wide during the week of 17th – 23rd May. Activities are currently being planned for this very special week to celebrate state education. Amongst the activities at Albany Rise there will be: an Open Evening, Scholastic Book Fair, a group school tour, Australia’s Biggest Morning Tea and an Open Morning. If you know of anyone considering enrolling at Albany Rise for next year please let them know about our group school tour.

‘RECIPE BOOK’

The Parent Association is keen to create a ‘school recipe book’ containing recipes from families across our school. We would love parents to send their favourite recipe for us to include in our book.

NOW WE ALL HAVE A FAVOURITE RECIPE ...SO PLEASE SEND YOURS TO
albany.rise.ps@edumail.vic.gov.au

OR drop a copy into the office.

All recipes will be acknowledged with the family name.

Please include ‘recipe book’ in the subject line of your e-mail and include your family name with the recipe. If your recipe is unique to your family background we’d love to know which country it’s from as we hope to be able to group recipes according to countries represented at our school.

Thank you in anticipation.

ENROLMENTS FOR 2016

If you have friends or neighbours who are looking at enrolling their child in a school for 2016 please encourage them to visit us for a tour of the school. A convenient time can be organised by contacting the office.

We are now accepting enrolments for 2016. Any families who are intending to enrol for 2016 are encouraged to do so as early enrolment assists with our planning and provision.

Kind regards

Last month’s Magic Square puzzles
Congratulations to the group of students who handed in the completed puzzles and received some Easter treats for their hard maths work. This week, many classes have been learning about geometry, in particular 2D and 3D shapes.
There is a great game on this site that might help you learn some shapes:

A New Puzzle- Tangrams
Did you know that the invention of the tangram puzzle is unrecorded in history? The earliest known Chinese book is dated 1813 but the puzzle was very old by then (about 4000 years according to some reports).
Tangram puzzles have 7 distinct pieces which all fit neatly into a square, but can also be made into other interesting shapes. Can you make the shapes on the far right from the 7 pieces shown?
If you can- be the first to show Mrs. Drew for a small prize!!

More interactive puzzles are available at:

Policy Update:

Recent Policies Ratified at School Council
Last week, the Education sub-committee met to consider the policies listed below, which will be presented at school council on Wednesday 22nd April. The subcommittee also discussed upcoming programs, DET administration requirements (AEDC, DCCSSD), NAPLAN, our Curriculum day on 29th April and using Compass for reporting to parents in 2015.
Parents are encouraged to attend these meetings to have a say in the policies and programs implemented across the school. Meetings are held every month.

Addressing Parent Complaints policy
Uniform policy
Anti-Harassment policy
Communication of school policies schedule
Parent Participation/ Class Rep policy

Reminder: Albany Rise PS has a ‘Dogs In School Grounds Policy’. If you are bringing a dog into the grounds, for any reason, you need to be aware of this policy.
What makes a positive school community?

"Mum, Miss Collins told me to be sure you go to the school for the meeting tonight. She says it's very important." "You're not in trouble, are you Omar? Teachers only ask parents to come to school when there is a problem, don't they?" "No Mum. She says she is looking forward to meeting you."

When Rasheeda got to the meeting it wasn't as she had expected. Lots of other parents were there and they were talking with each other and with the teacher. It seemed quite friendly. The teacher explained what the children would be learning in school this term and then asked the parents to talk to two different people they didn't know.

Rasheeda felt a bit shy about this. Luckily, the other parents at her table started talking to her. They asked her what school was like in her home country. "Oh, very different!" she told them. "Over there the teacher talks and the children listen. They don't learn in groups. They start early and they go home at lunchtime." The other parents seemed interested.

Miss Collins also spoke with her. "Rasheeda, I wonder if there's anything more you would like to know about how Omar is going or what we are doing at school? We want to be sure you feel welcome, so if there is anything the school can do to help you or Omar settle in, please let us know."

Positive school communities create opportunities for families, children and staff to feel included.
What feeling included is all about

Children come from an endless range of different families, backgrounds, cultures and religions. They also have a variety of interests, learning styles and abilities. Despite all of these differences, everyone should feel included and welcome within their school community.

Positive school communities create opportunities for children, families and staff to feel included. They make help and support accessible and find lots of ways to invite people to take up the support being offered. They help everyone benefit from understanding experiences and cultures that may be different to their own.

When children feel included, when they are part of a community that promotes inclusion and respect for everybody, they show more caring and compassion towards others, and they feel safer and more secure. They are also better learners and have better mental health and wellbeing. In a positive school community every face has a place, every voice is valued, and everyone has something to contribute.

School communities from around Australia chose care, compassion, respect, understanding and inclusion as important values for children to understand. These are things that children can learn about. The best learning happens when children see the adults around them putting values like these into practice. Feeling included is important for mental health, and is supported best when diversity is respected and valued.

Some ways of showing people they are welcomed and included at school

- Display information, posters, and artwork that reflect the diversity in the school community.
- Provide information in appropriate languages, verbally, where possible, as well as in written form.
- Cater to specific needs where possible (eg dietary needs, access needs).
- Publicly celebrate diversity (eg diverse families, cultures, languages and values).

How parents and carers can help

- Get to know other families, take an interest in others’ different backgrounds as well as what you have in common.
- Set up a 'buddy' system where families who have been at the school for a while buddy up with new families to provide welcome and support.
- Encourage children to include and appreciate others’ cultural and individual differences.
