PURPOSE:
There are essentially four possible areas of complaints within schools: parents (and guardians), students, public and staff. This policy deals mainly with the procedures for parents and students. 1.1 To increase the level of satisfaction with the delivery of educational services and enhance the parent/student/community relationship.
1.2 To provide an efficient, fair and accessible mechanism for resolving complaints.
1.3 To provide information to the parents and students on the complaints handling process for the educational services of the School.
1.4 To monitor complaints in an endeavour to improve the quality of educational services.
1.5 To ensure parents/students can exercise their right to complain and to have a complaint handled appropriately.
