Term 2 Working Bee  Date: Sunday 17th May  Time: 9:30am-1:00pm

Dear Parents

Our Term 2 Working Bee will be held this coming Sunday and gives us a great chance to spruce the school up for Education Week. The weather forecast is good for the weekend so we will definitely be going ahead. We have some major tasks we hope to complete on the day including building seating and repairing the softfall retention on the Year 5&6 playground.

We will commence at 9:30am. Please come for as much time as you can spare.

There will be a sign in sheet in the breezeway. Please fill in your details as soon as you arrive.

All families who return the planning sheet and attend on Sunday will receive 2 free Adult Movie Tickets.

Our working bee will finish at 1:00pm with a BBQ/ sausage and refreshments.

Tools We Need  
(Please make sure your tools are clearly labelled with your name)

• BYO gloves, hat, waterproof jacket
• Tools and wheelbarrows – to move mulch and softfall
• Rakes and garden forks – to disturb and spread playground softfall
• Pruning equipment ie bush saw, garden shears secateurs – tidy up all garden areas

If you are unable to attend you can still support the work we hope to complete by making a small donation towards the goods and materials we have purchased for the day.

Tony Clayton
Assistant Principal
