Albany Rise Primary School Mission

Our mission at Albany Rise Primary School is to develop students who value learning throughout their lives, strive to achieve and are literate and numerate. We aim to produce confident and empathetic students who are global citizens equipped to succeed in the 21st century.

Welcome back to term 3!

I do hope that everyone has enjoyed a restful and enjoyable holiday. It's a nice time to keep warm and recharge for the second half of the year. The children have come back to school excited to be with their friends again and commence their learning. Thank you to our families for your support in preparing them for the start of term.

School Musical 'This is Australia'

Planning, preparation and rehearsing for our whole school musical is a feature of term 3 as we prepare for this bi-annual event. We will keep you up to date with our preparations and information in relation to the rehearsals and purchasing of tickets. If you are unsure at any stage please contact the office. For the first time we will be using a new venue – the Rowville Secondary College Performing Arts Centre.

Parent Family Occupation

This week all families will receive a letter in relation to their Parent Family Occupation group. This information is gathered by DET on enrolment forms when students are enrolled at our school. The data is used to determine additional funding for schools. It is critical that this data is accurate to ensure that we receive appropriate funding that matches the needs of our school community. Please assist us by returning the form provided promptly even if your family's situation hasn't changed. We greatly appreciate the support of our school community with regard to this request.

Woolworths Earn and Learn

Woolworths Earn & Learn is back and it is again possible to gain valuable resources for our school.

It's simple to participate. From Wednesday 15th July to Tuesday 8th September 2015, when you shop at Woolworths you can collect Woolworths Earn & Learn Stickers from the checkout operator or through an online order and place them on a Woolworths Earn & Learn Sticker Sheet. There'll be one Woolworths Earn & Learn Sticker for every \$10 spent (excluding liquor, tobacco, and gift cards). Once completed, simply place the Sticker Sheet in the Collection Box, either at our school or in our school's box at Woolworths Waverley Gardens.

ENROLMENTS FOR 2016

During term 3 we begin to focus on the task of planning for next year. Grade structures, workforce planning and budgets are features of this planning. We are asked by the Department at this time to project our enrolments for the year ahead. We endeavour to be as accurate as possible in order to ensure that our budgets and staffing requirements are reasonably correct. If you have a student for 2016 to enrol, or know if students intending to enrol, please assist us by ensuring enrolment forms are provided to the office sooner rather than later.

If you have friends or neighbours who are looking at enrolling their child in a school for 2016 please encourage them to visit us for a tour of the school. A convenient time can be organised by contacting the office.

Kind regards

Belinda Jones

Nationally Consistent Collection of Data on School Students with Disability

Our school is participating in the Nationally Consistent Collection of Data on School Students with a Disability. The collection notice below outlines the requirements for all schools to undertake this data collection process. The Data collection is not limited to students with diagnosed disabilities. It uses a very broad definition of disability.

Collection Notice

All schools in Australia, including Independent and Catholic schools, will participate in the **Nationally Consistent Collection of Data on School Students with Disability** this year.

The Data Collection is an annual count of the number of students with disability receiving educational adjustments to support their participation in education on the same basis as students without disability.

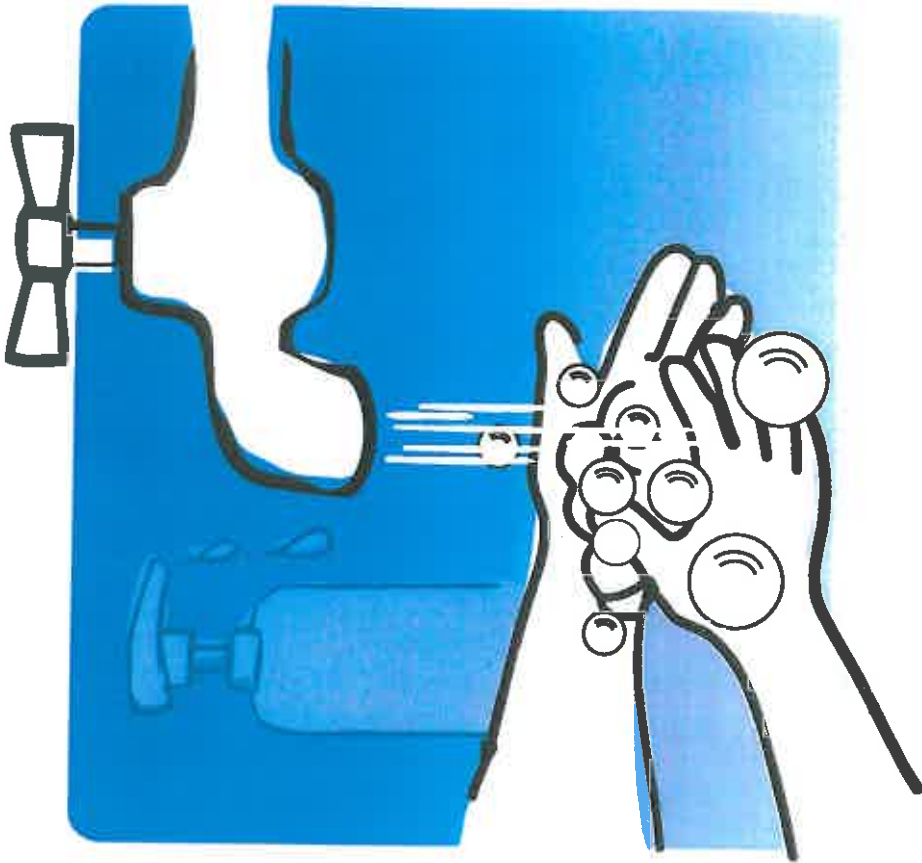

All education agencies are now required under the Australian Education Regulation 2013 to provide information on a student's level of education, disability and level of adjustment to the Australian Government Department of Education and Training.* Data will continue to be de-identified prior to its transfer to the Australian Government Department of Education and Training. No student's identity will be provided to the Australian Government Department of Education and Training.

The collection of this information from states and territories will inform future policy and program planning in relation to students with disability.

If you have any questions, please do not hesitate to contact Belinda Jones or Judy Drew on 9547 1146 or the Victorian Department of Education and Training Data Collection Hotline on (03) 9651 3621. For questions after 7 August 2015, please call the Australian Government Department of Education and Training on 1300 566 046.
