SWIMMING

There are still some families who have not yet paid for swimming. The swimming program is a vital part of the PE curriculum and we would love to see all children take part.

IF your child already has private swimming lessons the program would complement these lessons and give your child further opportunities to improve their stroke technique and water safety skills.

If your child is a non-swimmer then this is a perfect opportunity for them to be involved in water familiarisation and water safety. Please support the PE curriculum by allowing your child to attend the 9 day intensive swimming program at Monash University.

The cost of the program is $75 which is very reasonable when compared to the cost of private lessons.

ZONE GOUldbURN VALLEY COLLECT-A-TUB

Please remember to continue collecting tubs in the Goulburn Valley Collect-a-Tub Promotion. Each tub purchased from a Coles or Bi-Lo Store earns 1 point for our school. Points are then redeemed for sporting goods. This year receipts of purchases must be kept and the last 5 digits of each barcode entered onto the website at www.collectatub.com.au.

The house captains will be responsible for entering any tubs and receipts that are bought to school or you may enter these details yourself from home.

Thanks for supporting the school.
